

Marc Afshar is a campus minister serving with Chi Alpha Christian Fellowship at the University of the Pacific in Stockton, Ca. He attended and graduated with a degree in biology from UC Davis. His desire was to become a pharmacist (and go to UOP) but God had other plans for him. He was saved during his time as a student at Davis and called into ministry! He is married to his college sweetheart Natalie and they just had their first child A.J. He also may or may not have his own rap album.
